Dear Vicco:

It is with great pleasure that I write to officially inform you that you have been selected to be a recipient of a William Thornton Award for Excellence in Craftsmanship / 2016. The award will be presented in recognition of your commitment to creating exceptional hand-crafted furniture in the United States that sets standards for innovation and design excellence. The award is also presented for your unique artistic vision of capturing and expressing our Nation's history by incorporating artifacts found in the salvaged wood you use to create your furniture and architectural elements. Finally, the award is presented in recognition of your ongoing commitment to mentoring the next generation by inspiring them through the art of woodworking. Your efforts represent a singular and significant contribution to our Nation for which you are to be commended.

From April 23, through July 7 2016, your fine craftsmanship will be on display at Carroll Mansion, the 2016 All American House. As an award winner you will be provided the opportunity to work with talented young student designers from leading universities who will incorporate your work into specially designed rooms. The 2016 awards will be presented at a special ceremony to coincide with the opening of the All American House.

I want to congratulate you on being selected for the award. I will keep you updated on events at Carroll Mansion. Meanwhile, please feel free to contact me by phone at 202.543.1573 or at my personal email account jamesdelorbe@yahoo.com
